Steve Kuzma September 10 Impressionist Artist

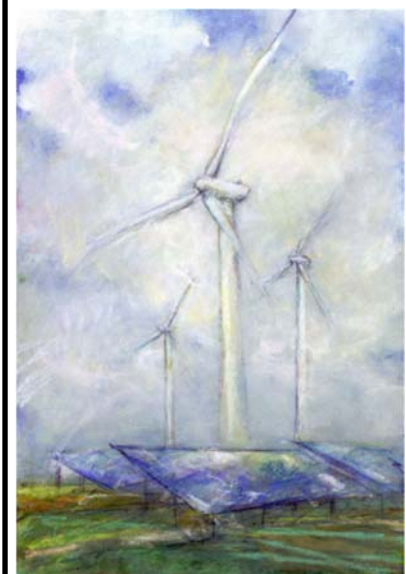

Steve Kuzma is a full-time artist, illustrator and educator with over 30 years professional industry experience. He has exhibited across continental United States with illustrations that are internationally acclaimed and recognized.

With three studios in New Jersey, Steve Kuzma graduated with honors from the Parsons School of Art and studied under fellowships in Italy and France.

Steve is known for his contemporary style with impressionist brushwork, avant-garde layering techniques including watercolor, water-mixable oil and pastel to create a blissful connection to nature and spirituality for the viewer. He also makes use of powerful, humanistic and joyous statements . His work reveals the sculptural and luminous nature of paint layering.

Steve Kuzma's work combines a love of nature and a strong spiritual sensibility. He is inspired to create life within the painting and to gain a direct conduit into the human soul. He feels that he is equally versatile in several genres including landscape, seascape, floral, portrait and sports. To this end, he can also specially embellish, glaze and pastel infuse his prints on fine art canvas and paper.

Garnering much acclaim for his work, Steve Kuzma has been the well-deserved recipient of several awards, 2013: A. Gottleib award, Jackson Pollock- Krasner award grant recipient, 2013: Healing Arts Programs, Atlanticare Capemay NJ, Award and 2015: New York Foundation for the Arts and Joan Mitchell Foundation Award

President's Message August 2016

As we approach our fall season, we are planning the year 2017. Among the discussions on the table are: the annual Luncheon, Elections, Budget 2017, support of the Wednesday's classes, Thursday classes, and Monday classes, Alliance Camera Club, Alliance Sculpture Club, NJPPS, as well as; and probably most importantly, the program schedule and show schedule for next year. I suppose when you read this you wonder, why should we be concerned about the program schedule, here in August 2016?

In 2016, we had the program schedule worked out before the annual luncheon in December 2015 where it was presented to the general membership. The program schedule for 2016 went out to many organizations, not just the WAA in early January. This gave the WAA great notice by many and help boosted our membership up above the 170 household mark. (We use Households because many households have multiple active members). We received multiple press releases and interviews throughout 2016 because of this information.

It is important that we do not isolate ourselves from reaching out to the general public. Besides the fact that it is part of our mission statement, it is also the life line to keep the WAA vibrant.

As of this date for 2016, the WAA has given out over \$2000 in prize money during our show schedule, even before our annual show in October. We hope to do more in 2017.

At present, the board members are organizing several meetings with the class coordinators, program chairs, general membership; and others to discuss budgets and financial supports.

When you read this, I hope that you will call me or other members of the board to voice your opinion or join in the organizational meetings or volunteer to help with the programs..

Best wishes
RJ Haas, WAA President
