Philip Carroll
Letting the subject choose you

**Come join us on Saturday, May 13th, from 9:30 to
11:30 AM for a demonstration in oil painting by art-
ist Philip Carroll!**

*"I do not choose the sub-
jects that I paint, they
choose me. I just happen
upon them in my endless
wandering for inspiration
and they appear when I
least expect them. Alt-
hough I have painted land-
scapes in oil of city scenes
and stop lights in urban
settings, they were always
a close-cropped view of a
scene. So, for the first
time in many years I have been reborn as an artist and am find-
ing endless joy in creating paintings that seem to make perfect
sense."*

Philip J. Carroll is a professional artist, lecturer, and is currently
the Curator of Exhibitions for the Perkins Center for the Arts in
Moorestown and Collingswood, NJ. He grew up in Had-
donfield, NJ, and lives with his family in Collingswood where he
has been a long-term resident. He teaches watercolor for the
Perkins Center for the Arts, and also teaches for the Mainline
Art Center in Haverford, PA. Mr. Carroll is a 1984 graduate of
the Pennsylvania Academy of the Fine Arts in Philadelphia,
and studied Art History at the University of Pennsylvania.

His most recent exhibitions include an invitational group exhibi-
tion at the Monmouth Museum in Monmouth, NJ in 2016, Art-
ists of Yardley Group Exhibition in Yardley, PA in 2016, and the
Perkins Center for the Arts in 2016.

Figure Drawing Made Easy(er)

Learn an amazing system of drawing the human figure that you can begin to use right away. I will share this system as a program that will span several sessions. The first two sessions will take place on the first two Wednesdays of June, and then will be scheduled at different intervals after that. Please bring pencils, erasers, a ruler, a compass or circle template and a notebook or sketch pad to class in which to keep your lessons, as subsequent lessons will build upon previous ones. You will be copying the examples that I will draw for you in class. At the end of the program, you should have created your own anatomy book from which you can refer.

President's Message May 2017

Well this Spring seems to be slow in coming. Though it was hot one or two days and now it has turned cold again. Typical Jersey, weather cold one day blistering hot the next.

If you missed it, we had a wonderful presentation from Ellen Locicero about acrylic paints. Her unique method of blending, softens the look of the acrylic finish and gives a misty, quieting effect. I have enclosed some Photos of Ellen's Presentation in this Newsletter (page 5).

This month, we will have Phil Carroll and we are looking forward to his time with us.

Both the 3D Club and the Camera club seem to be doing well and anyone who has attended seem to enjoyed the programing or events.

Our outreach programing is still going strong and our artists who have participated have enjoyed the sessions

I look forward to seeing you at the next meeting

Best Wishes,

RJ Haas

WAA President
