## DID YOU KNOW?

Music and art will always go together. Artwork can be as much a part of a record as the sound again. There are some great old album covers. This is as much part of the identity of a record as the sound.

### MISSION STATEMENT

Forming an organization, which would bring amateur and professional artists together in an effort to increase their skills through workshops and exhibits, and at the same time, to increase community awareness of the fine arts.

## President's Message

### Autumn Beard Man

Giuseppe Arcimboldo, 1569, Oil

The whimsical *Autumn Beard Man* by 16th century mannerist painter, Giuseppe Arcimboldo, is one of the many fantasy works the artist created, later in his career.

Arcimboldo imagined assemblages of flora, fruits vegetables, roots and brush, representing portraiture. The works are known to have hidden meanings that reflect social commentary about the aristocracy. An Italian, Arcimboldo was educated in Milan and became court painter to the Hapsburgs in Vienna.

November brings to mind harvest and family feasts. As daylight savings time and a chill in the air keeps us in doors, even more than we already have been, we look for ways to bring the outdoors in. Make time to prepare for a little decorating, making gifts and sending your greeting cards before the holiday rush.

As your president this year, I am grateful to everyone who helped make my year as president as big a success and proud of all we managed to accomplish under pandemic restrictions. The WAA is optimistic about resuming our regular program of classes and shows as soon as possible.

From our WAA family to yours best wishes for a Happy Thanksgiving!

Happy Painting,

*Denise McDaniel*  
President

### WAA seeks Online Presenters (Members & Non-Members)

Any topic related to the Visual Arts. Demonstrators and Instructors with on-line presentation capabilities can contact the club with proposals at [info2019@willingboroart.org](mailto:info2019@willingboroart.org).

**Featured Presenter:**  
**Jocelynn Tice**

In collaboration with the Burlington County Art Guild you are invited to the Hands-on November Presentation on ZOOM, **Wednesday, Nov. 11th, 7:00 pm.**  
<https://us02web.zoom.us/j/5665585928>

**A Hands-On Demonstration with Viewer Participation**

“My work is centered on the face, with all the fun expressions we make, the ways we are different, and the ways we are similar. I am usually found sketchbook in hand drawing at the Plastic Club or in the many jazz clubs in Philly. Sketching people while I’m out is a habit I picked up in the ‘70s and hope to never drop. I have an Art School in South Jersey (My Studio, LLC) and my students and their families have become the subjects of most of my current pieces. Sometimes I have them pose for me, sometimes I use candid shots. At present, I work mainly in pastel and charcoal, loving the bright colors and the medium’s ease of manipulation”.

For this demonstration, Jocelyn will be using charcoal and working from a photograph. Charcoal is the medium she uses to start all of her 2D work.

**Materials for viewers participating:**

Charcoal paper, white  
 Charcoal stick (I use willow because it’s softer than vine)

HB (hard) charcoal pencil  
 6B (soft) charcoal pencil  
 Kneaded eraser  
 Tortillion (blending stump)

**Short summary of Jocelynn’s experience:**

**Jocelynn Tice** was a Painting Major at the Pennsylvania Academy of Fine Arts in Philadelphia, PA and an Art Major (Sculpture/Ceramics) at Rutgers University in Camden, NJ.

Jocelyn currently runs her own Art School in Haddon Township, NJ and is a member of the following Associations

- Pastel Society of America – Juried - Associate Member
- Portrait Society of America
- NJ Pastel Painters Society. Marlton, NJ - Signature Member
- Plastic Club, Philadelphia, PA
