FREE in person workshop on **Landscape Painting techniques** led by WAA artist **Maria Morales**. This fun filled workshop is for all artistic skill levels - no experience needed! Supplies will be provided. Open to All, members and non-members

Maria Morales will lead a workshop focusing on Landscape painting techniques, painting trees, and atmospheric qualities inspired by a well known artist's workshops and expressive style. We will watch demonstrations, analyse and discuss the approach, then practice some of the application in our own creative way.

Take away ideas that can be incorporated into your own work; the use of vibrant color, composing a painting, how to depict atmosphere, using large brushes, indicating detail without painting it all in, etc.

This workshop will be helpful for those who would like to start or do more Plein Air painting, anyone interested in landscape painting, or anyone who wants to enhance light, color, and drama in their work.
